

1-8222 Technical Information Sheet

earthBorn Natural Thinners

The logo for earthBorn, featuring the word "earthBorn" in a sans-serif font. The "earth" part is in a dark grey color, and the "Born" part is in a lighter grey color. Above the text is a horizontal brushstroke in shades of orange and brown.

1. Use

earthBorn Natural Thinners is a multi-purpose citrus-based solvent that can be used to dilute earthBorn oil-based products and clean tools. If a surface is splashed or stained whilst using oil-based paint, earthBorn Natural Thinners can be used to clean the surface.

2. Colours and Product Codes

750ml Clear 1-8222

3. Properties

earthBorn Natural Thinners contains a blend of Natural Citrus Oil and isoparaffin.

4. Application

Always stir/shake the container before use.

For thinning paint: add small amounts of earthBorn Natural Thinners. Note: adding too much thinner may affect the quality, performance and appearance of the paint.

For cleaning surfaces: apply with a dry, lint-free cloth.

For cleaning tools: pour required quantity of Natural Thinners into a container and soak/clean tools. It will also dissolve tar, grease, waxes etc

5. Storage

Keep containers sealed and store in a cool, dry and frost-free place.
Shelf life is 2 years for unopened containers.

6. Safety

Please refer to Material Safety Data Sheets

7. Ingredients

Citrus turpene, isoparaffin.

The user is recommended to test the product on the intended surface to ensure that its suitability
